Players will be called (or notified on the final day of tryouts) if they have made the team. Immediately after the teams are picked, \$160 per player will be due for uniforms, which includes Home and Away Jerseys, and a pair of Revision pants.

A staff member will be on hand to collect the money – or you can pay credit card by phone.

We will be ordering brand new jerseys this year!

## Equipment

The Buffalo Wings are sponsored by Revision and Reebok Hockey. All players will receive discounted pricing on equipment. Information on purchasing equipment will be made available at tryouts. If you have any questions, please contact Eric@wnyrh.com

## Practice Fees

Every **Travel Team Player** must pay a \$50 fee for practice throughout the summer. Practice times will be determined by each team's coach or captain.

## Players

We look forward to seeing everyone at tryouts. With Nationals so close this year, it is a great time to get involved! Once the teams are picked, your coach will have a meeting and let all players/parents know the expectations for the summer. Some teams may go to all of these regionals, while others may only target specific tournaments to go to. We highly suggest that each team try to get to at least one National Tournament. They are a lot of fun and very competitive!

## Coaches

We strongly encourage every coach to hire an assistant coach or treasurer before the season starts. All Coaches are in charge of team fee collections, practices, phone calls, emails etc.

## Fees

All money needs to be collected NO LATER than the specified dates below. This info is everything you will need to sail a smooth ship this summer. Every player will also need to obtain RHA (Roller Hockey Alliance) insurance. The cost is \$30 and it will cover all of your tournaments for the summer. It is easiest to sign up online at rha.com or you can fill out a paper form and register at the first Regional. We are looking for Coaches for each age group. Please email Eric@wnyrh.com if you are interested!
