NARCH FINALS (GERMAIN ARENA – ESTERO, FLORIDA) JULY 11th – JULY 27th - Block Schedule on Narch.com

This tournament is the largest of its kind. Last year it hosted hundreds of teams from around the world. Team fees and Registration forms are extremely important for this event. All team fees are due ASAP! Your coach will determine the cost per player. This is a National Tournament so the team fees will be a bit more, ranging from \$80-\$100 depending on how many players are on the team. All coaches will have a team meeting during the season to discuss flights, rental cars and hotels. Check Narch.com for details!

Players

We look forward to seeing everyone at Tryouts. With Nationals so close this year, it is a great time to get involved! Once the teams are picked, your coach will have a meeting and let all players/parents know the expectations for the summer. Some teams may go to all of these regionals, while others may only target specific tournaments to go to which are not listed within this packet. We highly suggest that each team try to get to at least one National Tournament. They are a lot of fun and very competitive!

Coaches

We strongly encourage every coach to hire an assistant coach or treasurer before the season starts. All Coaches are in charge of team fee collections, practices, phone calls, emails etc.

All money needs to be collected NO LATER than the specified dates above. This info is everything you will need to sail a smooth ship this summer. Every player will also need to obtain RHA (Roller Hockey Alliance) insurance. The cost is \$30 and it will cover most of your tournaments for the summer. It is easiest to sign up online at rha.com or you can fill out a paper form and register at the first Regional. We are looking for Coaches for each age group. Please email Eric@wnyrh.com if you are interested!
