JERSEYS

Teams registered in our house league will receive a set of team jerseys for free (while supplies last). Not only will this serve as an indication as to who has registered and paid to play in the league, it will allow for greater visual continuity.

All house league players will be required to wear the same jersey for each game. If you choose to wear your own jerseys, all players must play in that style. If a player does not adhere to this policy, the player in violation of the rule will not be allowed to participate in that current game. All players must wear the same jersey number for every game.

FLEX SCHEDULE

Flex scheduling will allow for the best competition and best teams to battle it out for league supremacy every week. All house league teams will play a random 3 game schedule to start the season. During these 3 games, teams will be evaluated and placed into the proper division. The team will play on the day/night it has signed up for, although some leagues will have a secondary night to play on occasionally. For example, if we have 12 teams signed up on Mondays, 6 may be AAA (Gold) teams and 6 may be AA (Silver). We would then proceed with the 12 teams that signed up on Mondays, but it would consist of 2, more competitive divisions. This will allow all teams to have better competition with the thought of reducing blowouts, giving all involved a greater overall league experience in their league.

ALL NEW ALUMINUM DIVISION

With Roller Hockey growing at a rapid pace in the WNY area we have decided to add another Adult Division to our arsenal. The Aluminum Division will be played within the Thursday/Monday League and we will also have a stand alone Aluminum Division on Wednesday evenings. The Aluminum Division is designed for true beginners or players that have not played in years who are looking to mount a comeback.
